Re: **Natural Hair Blessing Bags Sponsorship**

Greetings!

Embracing My Natural, Inc. is a 501 (c)(3) nonprofit organization dedicated to encouraging natural hair care by providing workshops, events, and information to the community on natural hair care, as well as providing Natural Hair Blessing Bags (our on-going signature program).

Caring for natural hair can be a challenge, and the cost associated with purchasing natural hair care products can be cumbersome. Because of this challenge, many people give up on caring for their natural hair or generally embracing their natural hair. **Natural Hair Blessing Bags** was created to combat this challenge. **Natural Hair Blessing Bags** are bags that contain a variety of natural hair products and hair tools from natural hair companies and brands. We distribute these bags throughout the year to schools, colleges, universities, non-profits, and community organizations.

In order for us to make a bigger impact in our communities we need your help. Your assistance will help us reach the masses. Please consider being a sponsor or donating to our cause!

Listed below are the ways you can become a sponsor and/or contribute to **Embracing My Natural, Inc.** mission:

- Donate natural hair products & tools (preferred method of donations)
